VERIFICATION OF FREE OR REDUCED-PRICED LUNCH
2027-2028 ACADEMIC YEAR

Student's Name: _____ Student ID: _____

It was reported on your FAFSA that you or someone in your family received free or reduced-price school lunches in 2025 or 2026. **This question refers to qualifying for federal program benefits and <u>not</u>** just receiving the benefit because the school system offers free lunches to its students. Your household income from 2025 does not appear to meet the federal income eligibility for reduced-price meals, so we are following up to verify whether this question was answered correctly.

Review the Federal Income Eligibility Guidelines at fns.usda.gov/schoolmeals/income-eligibility-guidelines

and answer the following question:

<u>Did you or</u> someone in your family receive free or reduced-price school lunches in 2025 or 2026 because (check one):

1. they met the **<u>federal</u>** income eligibility guidelines ☐
   <u>or</u>
2. they received the benefit only because the school system offers free lunch to all students ☐
