Yes (which year/semester?) No

Date of Application Submission:

Proposal Title:

In a separate file, include the following:

Proposal Description (250–500 words)

Proposal Goals (Please *list*.)

Proposal Strategies

- How do you plan to organize the steps that will fulfill your proposal goals? (Please *list* steps.)
- Are there any other outside organizations and/or other FSU departments you will need to work with? Please *list* and include individual names, as well.

Proposal Justification

- Please *explain how* your proposal addresses the MHWPC mission (see MHWPC home page) either at a divisional or departmental level.
- If you expect that you will need additional funds for materials or travel to complete this proposal, please *describe how* you will obtain additional funding.

Please *list* expected tangible results and how you will measure them.

Please *attach* other relevant documents, such as budget, articles that help justify the significance of your proposal, letters from cooperating departments/divisions/non-academic staff, **as needed**. Additional documents should be attached to the email in which you send application.
