### **Alumni, What Do You Think?**

Your opinion is important. The Framingham State College Alumni Association wants to hear from you. Have you been back to campus since you graduated? Have you been to an alumni event? How are you spending your time?

Please take a few minutes to take the [alumni engagement survey](#). The results of this survey will help us learn what our alumni are doing and what they think about alumni events, benefits, services and communications.

Surveys must be completed by **Feb. 10**. We hope to receive responses from as many alumni as possible. Alumni who complete the survey may also enter a drawing to win prizes, including a pair of tickets for the 2010 Red Sox season and alumni ram pride paks.

Thank you in advance to all alumni who participate.
