

Dear Students, Families, and Interested Colleagues,

Framingham State College, established in 1839 as the first public teacher education school in the Nation, is an exciting and challenging place to pursue your academic goals.

The academic programs offered at the College retain their traditional rigor and quality, and now encompass a broad spectrum of fields and disciplines, including 28 undergraduate and 15 master's degree programs.

Framingham State is particularly proud to have so many outstanding faculty who place special emphasis on individual student attention and on small classes. The College also is pleased with the many opportunities for extra-curricular activities offered on the campus and in the surrounding MetroWest region, an area of vibrant and vital growth and activity.

I would like to offer you a warm invitation to visit Framingham State College. The campus is attractive, historic, and pleasant -- a stimulating environment for learning and growth. We believe you'll enjoy your stay.

Sincerely,

A handwritten signature in black ink that reads "Paul F. Weller". The signature is written in a cursive style with a large, looping initial "P" and a long, sweeping underline.

Paul F. Weller,
President
