How to Register

Web Registration:

Have you taken a course at FSC before the summer 2008 semester?

Returning students register through my.Framingham.edu, our new portal which allows you to view the summer schedule; register and pay for courses; access your grades, course history, important announcements; learn about campus events; and much, much more.

Are you registering for your first course at FSC this summer?

New students may access our new web registration system via www.framingham.edu/dgce.

For web registration help, visit www.framingham.edu/dgce or my.Framingham.edu.

Mail:

Please use the registration form in this bulletin and mail to:

Graduate and Continuing Education
Framingham State College
100 State Street, P.O. Box 9101
Framingham, MA 01701-9101

Allow at least five days for your registration to arrive.

In Person:

The Division of Graduate and Continuing Education (DGCE) Office, College Center, Room 515, is open for in person registration M-Th 8:45am-8:30pm.

Please note that MasterCard, Visa and Discover are accepted; cash is only accepted Monday-Friday, 9:00am-4:00pm.

Summer Registration Late Fee:

A \$25.00 late fee will be charged for registrations received on or after the first day of each session.

Tuition Waiver Registration:

We regret that web registration is not available at this time to students with tuition waivers, course vouchers, third party payment or financial aid.

An open registration will take place in the DGCE Office; 5:00pm-6:30pm, for students using tuition waivers on **Monday, May 19** for Sessions A, C and D; and on **Monday, June 23** for Session B.

Those unable to attend may mail or deliver completed forms to the DGCE Office.

Note: Active Military, Veterans, or National Guard or Reservists need not wait for waiver registration night, but may register at anytime.

New! Improved! Secure!

Register via the web for summer courses anytime by credit card (MasterCard, Visa and Discover).

Understanding Framingham State College's New Course Listings

1. Course subject: Each course now has a four letter prefix which indicates the subject matter. This is often the same as the department, major or concentration. This prefix replaces the two digit department course code. Example: The new code for Psychology is PSY C. The previous code was 42.

2. Course number: Course numbers have remained the same. The three digit number that follows indicates the level of the course: first year, second and so on. 100, 200, 300 and 400 level courses are undergraduate level. 800 and 900 level courses are graduate level.

3. Course Reference Number or CRN: Each course now has a five digit number that identifies the class for registration. CRNs beginning with 90 = Fall; 10 = Intersession; 20 = Spring; and 50 = Summer.

You will need the CRN in order to register.

Note: For refunds, tuition per course is calculated based on the cost of the course, minus a total of \$121 in program support fees.

Refund Schedules for ESL, MTEL and Multi-Day Noncredit Workshops; and Online Professional Development One-Credit Graduate Courses:

For courses with tuition of **\$200 and above**, students who officially withdraw will receive refunds as follows:

Before 1st class: all costs.

After the 1st week of class but before the 2nd week: 90% of tuition. No fees.

After the 2nd week of class, but before the 3rd week: 75% of tuition. No fees.

For courses with tuition **under \$200**, students who officially withdraw will receive refunds as follows:

Before 1st class: all costs.

On or after first class: No refund.

Course Withdrawal and Financial Aid

Students who receive financial aid must contact the Financial Aid Office prior to withdrawing from one or more classes, as this may affect their financial aid eligibility. If you receive Federal financial aid, your financial aid funds will be refunded based upon the official date of withdrawal as prorated through 60% of the semester. If the Request for Change or Withdrawal form is not submitted to the DGCE Office and the College later determines that you have withdrawn, you will only be eligible to receive up to 50% of your Federal financial aid funds. You will be responsible for paying any balance due the College if financial aid funds are reduced. If you have any questions, please call the Financial Aid Office, 508-626-4534, or visit the website at www.framingham.edu/financialaid.

Please refer to General Information in the DGCE website for the full policy on withdrawals and refunds.

Change of Course Information

You may change from one course to another course prior to the 2nd class meeting of the course you plan to enroll in, if space allows. Log in to myFramingham and select the add/drop option. A course change is not permitted after the second class session.

Change of Status

Through myFramingham you may make one of the following changes of status prior to the second class meeting: undergraduate credit to graduate credit; graduate credit to undergraduate credit; credit to audit; audit to credit. The student is responsible for any difference in tuition.

COURSE WAIVERS AND VOUCHERS

We regret that web registration is not available at this time to students with tuition waivers, course vouchers, third party payment or financial aid.

Tuition waivers and course vouchers do not apply to directed studies, internships, field studies, noncredit courses, practica, or arranged courses. If you're using a waiver, course certificate, loan, financial aid or third party payment, you must register by mail or in person, with all original documentation and payment (if any) included with the registration form.

Important: Eligibility for tuition exemption must be established prior to registration. Tuition refunds will not be granted retroactively.

Third Party Payment

If your course costs will be covered by grants, loans, state agencies, companies, or the military, you must present an approved letter of authorization at the time of registration, stating what costs the agency will cover and where to submit bills for payment.

Senior Citizens

Residents of Massachusetts who are 60 years of age or older may register for tuition-free undergraduate credit courses through DGCE on a space available basis only. You must provide proof of age and complete the College's Proof of Residency Form. Eligible senior citizens are responsible for the \$121.00 program support fee plus any lab fees. To use the waiver for graduate courses, you must be matriculated in a Framingham State College master's degree or Post-Baccalaureate Teacher Licensure Program. You must register in-person or by mail on the dates specified for waiver registration. This benefit does not apply to directed studies, practica, internships, field studies, noncredit courses or other arranged courses.

Senior citizens who wish to audit classes must first obtain permission from the instructor.

Online classes may not be audited. Audited courses will be officially reported on the student's transcript, but no credit will be awarded. Auditors may not actively participate in coursework.

Veterans/Active Military

Members of the Military, National Guard or Reserves and Veterans may register in person at anytime during the registration period.

State Tuition Exemption

Veterans eligible for the state tuition exemption are responsible for the \$121.00 program support fee plus any lab fees. You must register in-person or by mail. Tuition waivers do not apply to directed studies, practica, internship, field studies, noncredit courses or other arranged courses. To qualify for the veteran's tuition waiver, you must have served in the Armed Forces as outlined in the Board of Higher Education memorandum of Nov. 11, 1992. You are required to submit the DD214 form and the College's Proof

of Residency Form. Active status personnel must supply a copy of their orders. Members of the National Guard or Reserves must submit a Certificate of Eligibility signed by the Commanding Officer. In order to use the veteran's waiver for graduate courses, you must also be matriculated in a Framingham State College master's or PBTL program. All other eligibility requirements apply.

Federal Education Benefits

In order to qualify for Department of Veterans Affairs (DVA) education benefits, veterans and dependents must be matriculated in a Framingham State College degree program. DVA benefits only apply to those courses meeting degree requirements. Beneficiaries must complete an Enrollment Certificate when they register, and they must submit the DD214 or Certificate of Eligibility when filing for the first time. If you have questions about Veterans' Education Benefits, contact or call the DVA: 888-GI-BILL-1 (888-442-4551) or visit www.gibill.va.gov.
