Specific placement? – Explain: _____

Schools/grades of children or other family members in the districts selected: _____

Allow a minimum of three hours at the school each week and sufficient time for travel to your assignment.

Students are responsible for securing their own transportation to the placement site. An attempt will be made to place students without cars close to Framingham State College or help to arrange a ride for them in a car pool.

Do you have a car? _____ How many riders can you take? _____ Do you wish to join a car pool? _____

All students are required to submit to a criminal record (CORI) check at their school placement at least three weeks prior to the outset of the field experience.

Promptly notify the Office of Educational Field Placements if you plan to withdraw from Field Study consideration.

**This application must be submitted to Dwight Hall 302 by
October 1 for a spring semester assignment or by
February 15 for a fall semester assignment.**
