Semester during which you plan to take Student Teaching: Fall Year Spring Year

Student Teaching is a full-time, full semester experience. No other courses may be taken. Requisites for participation include passing scores of 70 or above on the Foundations of Reading and General Curriculum sections of the Massachusetts Test for Educator Licensure and a minimum 2.7 quality point average (QPA) in all courses taken at Framingham State College and in all education courses.

Dates on which you passed or plan to take the Massachusetts Test for Educator Licensure:

Foundations of Reading General Curriculum
Field Study I or waiver: School Town Grade
Field Study II: School Town Grade
Field Study III: School Town Grade

Placement requests should reflect an effort to obtain a variety of classroom and school experiences within the Grades 1-6 Elementary levels. Listed below are some of the districts that have supported field-based teaching experiences for Framingham State College students. Choices are instructive, but not guaranteed.

- Ashland Bellingham Cambridge Dover Framingham Franklin Holliston Hopedale Hopkinton Marlborough

Grade preference: 1st choice 2nd choice 3rd choice

Specific placement? - Explain:

Schools/grades of children or other family members in the districts selected?

Students are responsible for securing their own transportation to the placement site. An attempt will be made to place students without cars close to Framingham State College or help to arrange a ride for them in a car pool.

Do you have a car? How many riders can you take? Do you wish to join a car pool?

All students are required to submit to a criminal record (CORI) check at their school placement at least three weeks prior to the outset of the field experience.

This application must be submitted to Dwight Hall 302 by
October 1 for a spring semester assignment or
February 15 for a fall semester assignment
