Yes, I would like to receive information on Academic Support for students with disabilities.

**Withdrawals:** A student withdrawing from a course must contact the Division of Graduate and Continuing Education and complete the appropriate Withdrawal Form. A grade of “W” is automatically awarded to a student who withdraws. Messages (including e-mails and telephone calls) either to the instructor or the Division of Graduate and Continuing Education do not constitute withdrawal. Unless a withdrawal form has been completed by the student and submitted to the Office of Graduate and Continuing Education, the student has not officially withdrawn. Non-participation does not constitute a withdrawal. Students who stop participating will receive a failing grade (F) unless they have officially withdrawn.

A completed application and letter of support from your high school guidance counselor or principal is required. It should indicate that you are a capable and responsible student, have a grade point average of B (3.0) or above, and will be granted high school as well as college credit for the successful completion of the course. This must be received prior to acceptance in the Dual Enrollment Program.
