

November 2011 Campus Happenings

Involvement Week - 11/14/2011 - 11/18/2011

Take part in the first annual "Involvement Week!" We will kick off the week with a campus-wide (and CollegiateLink-wide) scavenger hunt (details to come!). Visit our week-long McCarthy Center lobby tables and see the various ways of getting involved and creating connections with the campus community. We will showcase clubs and organizations, athletic teams, intramural sports, hall government, fitness classes, Student Admissions Representatives, service and active citizenship, orientation leaders, campus employment, and more!
