

OFF CAMPUS HOUSING INFORMATION

To assist students in their search for suitable off campus housing the following information* is available:

- The Office maintains postings received in an off campus housing listing binder as an informational resource for students. The binder is available to students and FSC staff during normal business hours. Owners or agents wishing to add information to the binder may submit an [off campus housing listing form](#) to the Office of Residence Life and Housing.
- There are sometimes postings regarding off campus housing on bulletin boards or posted in other areas on and around campus.
