1.0 Chair’s Report

Chair Logan informed the Board that it would be going into executive session to consider the purchase, exchange, lease or value of real property. He stated that meeting on this subject in open meeting may have a detrimental effect on the negotiating position of this Board. He further stated that because individuals were participating remotely and because the meeting would move into executive session, all votes must be cast by roll call. Last, he stated that the Board would not be reconvening in open session following the conclusion of executive session.
