How to Upload COVID-19 Vaccination Documentation

1. Log into the Medica Patient Portal: Use QR above or <https://framingham.medicatconnect.com/>

- Your login is your FSU username and password

2. Upload proof of your vaccination (picture of your vaccine card, or anything that has your name, date of birth and vaccine information)

- Click on "Step 1: Upload documentation" Click on "Immunization"
- Under "Documents available to be uploaded" click on dropdown menu and select "Immunization History" and then Select File

3. Enter the date(s) of your vaccination

- Click on "Step 2: Enter the dates" and scroll down to the COVID-19 vaccination you received and enter the dates of the dose(s)
