What percentage of your classes did you take online and what percentage would you have preferred?

Field	Mean	Count
My courses were online:	41.40	5
I would have preferred online:	44.60	5

This question asked respondents to mark the percentage of courses taken online and the percentage they would prefer to take online using a slider that went from 0% - 100%. The table above shows the means for each. Graduate students reported that they took approximately 41% of courses in the online format. Students indicated that they would have preferred to have taken 45% of courses online. This indicates that students are generally satisfied with the balance of face-to-face and online course offerings.
