- Identify AAG members for summer teams
  - April, 2014
- Analysis of artifacts and results reported
- AAG members to evaluate potential assessment tools using sample artifacts
- Finalize assessment tools to be used
- Annual Assessment Workshop
  - January, 2015

**YEAR 4**
AY 2015-2016
- Objective 8: Solves problems using creative thinking
- Objective 1: Communicate effectively orally
- Objective 2: Demonstrate civil literacy
- Objective 3: Solve problems using quantitative thinking
- Collect artifacts and supplemental materials
- Identify AAG members for summer teams
  - April, 2015
- Analysis of artifacts and results reported
- AAG members to evaluate potential assessment tools using sample artifacts
- Finalize assessment tools to be used
- Annual Assessment Workshop
  - January, 2016

**YEAR 5**
AY 2016-2017
- Objective 6: Recognize ethical and social responsibilities
- Objective 9: Develop informational technology competency
- Objective 10: Work collaboratively and independently
- Collect artifacts and supplemental materials
- Identify AAG members for summer teams
  - April, 2016
- Analysis of artifacts and results reported
- AAG members to evaluate potential assessment tools using sample artifacts
- Finalize assessment tools to be used
- Annual Assessment Workshop
  - January, 2017

**SUMMER 2012**
- Identify AAG members for summer teams
- Inform faculty of AY 2012-2013 objectives to be assessed
- AAG members to evaluate potential assessment tools using sample artifacts
- Finalize assessment tools to be used
- Annual Assessment Workshop
  - January, 2013

**SUMMER 2013**
- Identify AAG members for summer teams
- Inform faculty of AY 2013-2014 objectives to be assessed
- AAG members to evaluate potential assessment tools using sample artifacts
- Finalize assessment tools to be used
- Annual Assessment Workshop
  - January, 2014

**SUMMER 2014**
- Identify AAG members for summer teams
- Inform faculty of AY 2014-2015 objectives to be assessed
- AAG members to evaluate potential assessment tools using sample artifacts
- Finalize assessment tools to be used
- Annual Assessment Workshop
  - January, 2015

**SUMMER 2015**
- Identify AAG members for summer teams
- Inform faculty of AY 2015-2016 objectives to be assessed
- AAG members to evaluate potential assessment tools using sample artifacts
- Finalize assessment tools to be used
- Annual Assessment Workshop
  - January, 2016

**SUMMER 2016**
- Identify AAG members for summer teams
- Inform faculty of AY 2016-2017 objectives to be assessed
- AAG members to evaluate potential assessment tools using sample artifacts
- Finalize assessment tools to be used
- Annual Assessment Workshop
  - January, 2017

**SUMMER 2017**
- Identify AAG members for summer teams
- Inform faculty of AY 2017-2018 objectives to be assessed
- AAG members to evaluate potential assessment tools using sample artifacts
- Finalize assessment tools to be used
- Annual Assessment Workshop
  - January, 2018

**Overall evaluation of General Education assessment process**
- Propose assessment cycle for AY 2017-2018 through AY 2022-2023
- Results of General Education assessment plan
- Evaluation of General Education assessment process
