

Framingham

State University

Welcome to the **Geospatial and Data Analysis Major** major offered by the Department of the Environment, Society, & Sustainability, and we are happy to have you join us.

You will soon be meeting with an advisor to select your classes for the first semester. Please think about which courses you want to take before the meeting. You will be considered a full-time student if you take three or four classes. Below are the recommended courses for your first semester!

Course 1

- **Choose one-and just one-of these classes.**
- EASC 201 Principles of Earth System Science
- GEOG 111 Visualizing Social and Environmental Justice

Course 2

- **General Education Writing:** ENWR 100 or ENWR 105 or ENWR 110
- Based on placement code
- *Take the placement test if placed into ENWR 100 or 105!*

Course 3

- **STAT 117 Introduction to Statistics**
- Based upon placement score
- *You must take the math placement exam before you can enroll in a math class!*

Course 4

- **RAMS 101 Seminar****
- Any RAMS class is a great choice-it does *not* have to be related to your major

*For a complete listing of courses and description of placement scores, please see the First-Year Advising Guide. **Note: Honors Program students will take HNRS 101 First-Year Honors Seminar in place of RAMS 101.
