Dear President Cevallos,

Under the authority of the certification law (M.G.L. Chapter 71, Section 38G), the Commissioner “may approve programs devoted to the preparation of teachers and other education personnel.” I have reviewed the evaluation report for licensure programs at Framingham State University and am pleased to inform you that programs on the enclosed list (corrected from March 2014) are formally approved through March 2018.

Candidates must be endorsed electronically through the Department’s ELAR system by the individual you have identified as responsible for completing an audit of each candidate’s successful completion of all approved program requirements prior to endorsement. Transcripts of Framingham State University’s candidates for licensure must include the following endorsement statement:

(This student) has completed a Massachusetts State approved program for licensure in (indicate field, level and type, e.g., Mathematics, 5-8, Initial) and is endorsed for licensure in this field under terms pursuant to the NASDTEC Interstate Agreement.

Congratulations to you and the Framingham State University community for achieving approval of your educator preparation programs under the Regulations for Educator Licensure and Preparation Program Approval, 603CMR 7.00, and for your commitment to providing highly effective preparation programs for educators that ultimately benefit the students in the Commonwealth.

Sincerely,

Mitchell D. Chester, Ed.D.  
Commissioner of Elementary and Secondary Education
