| Human Anatomy & Physiology I and II w/ lab | BIOL 241 Human Anatomy and Physiology I  
AND  BIOL 242 Human Anatomy and Physiology II                                                 |                                  |           |       |
| General Biology I and II w/lab          | BIOL 160 Introduction to Organismal Biology  
AND  BIOL 161 Introduction to Cellular and Molecular Biology                                  |                                  |           |       |
| General Chemistry I and II w/ lab       | CHEM 107 Principles of Chemistry  
AND  CHEM 108 Principles of Chemistry & Quantitative Analysis                                 |                                  |           |       |
| Physics I and II w/ lab                 | PHYS 211 Principles of Physics I  
AND  PHYS 212 Principles of Physics II                                                         |                                  |           |       |
| 2 semesters Psychology                  | PSCY 101 General Psychology  
AND  One additional PSYC course                                                               |                                  |           |       |
| 1 semester Social/Behavioral Science    | SOCI course                                                                                   |                                  |           |       |
| 1 semester Statistics                   | MATH 117 Introduction to Statistics  
MATH 208 Biostatistics  
ENVS 202 Data Analysis for Scientists                                                              |                                  |           |       |
| 1 semester Calculus                     | MATH 219 Calculus I                                                                            |                                  |           |       |
| **Recommended Courses**                 |                                                                                               |                                  |           |       |
| Exercise Physiology                     | BIOL 303 Physiology of Exercise                                                                |                                  |           |       |
| English Composition | ENGL 110 Expository Writing **AND One of the following:**
| | ENGL 225 Introduction to Journalism
| | ENGL 280 Persuasive Writing
| | ENGL 282 Creative Writing
| | ENGL 283 Writing Poetry
| | ENGL 284 Creative NonFiction
| | ENGL 286 Professional Writing
| | ENGL 288 Writing Fiction
| | ENGL 311 Writing About Science
| Medical Terminology | Not currently offered by FSU; online available
| |
