Like everything else in this graduate student handbook, they are published for informational purposes only, and they do not constitute a contract between the University and any student, applicant for admission or other person. Whether noted elsewhere in this graduate student handbook or not, the University reserves the right to introduce additional rules and to change, eliminate and add to any existing rules, regulations, policies, fees and other charges. Whenever it does so, the University will give as much advance notice as it considers feasible or appropriate, but it reserves the right in all cases to do so without notice.

Welcome

We are pleased to welcome you into the Framingham State University (FSU) community. Your commitment to learning constitutes an important contribution to the academic excellence at FSU. As a graduate student, we hope that your involvement will extend beyond your coursework and that you will take advantage of opportunities available at the University (e.g., special lectures, athletic events). This handbook has been written to provide you with resources that you may find helpful during your graduate study with additional sources of information including the Graduate Catalog on the [University's website](#).

We eagerly solicit your feedback about the usefulness of this handbook, particularly in calling our attention to information and issues that are not currently included, but should be. Please send your suggestions to Dr. Yaser Najjar, Dean of Graduate and Continuing Education at ynajjar@framingham.edu. We encourage you to drop by our office at any time (Dwight Hall room 202) to discuss any issues or just say "hello".

Mission

The mission of the Office of Graduate and Continuing Education at Framingham State University is to contribute to the educational, cultural, economic, and social advancement of our region, state, and nation by providing excellent, affordable master's degree programs and professional certificates to capable individuals. We strive to provide students access to leading-edge basic and applied research, scholarly inquiry and creative activities. By working together with our academic governing body, the Graduate Education Council, we seek to integrate graduate and undergraduate programs so students continue to fulfill their educational endeavors at Framingham State University.

Vision

The vision of the Office of Graduate and Continuing Education at Framingham State University is to be at the forefront of best practices in graduate education, while providing exemplary learning environments in which to educate our next generation of scholars, teachers, professionals and citizens to become leaders in their field.

Getting Started

Academic Advising

Graduate students are assigned a graduate advisor at the time they receive admission to a graduate program. The graduate program advisor will have the responsibility of advising the student in completing the graduate degree requirements. It is recommended that students meet with their advisor each semester, but no less than once per academic year. Students are expected to view their degree audit, accessed via the *myFramingham* portal, prior to meeting with their graduate program advisor.

Blackboard

Blackboard Learn

Blackboard Learn connects faculty, students and staff anywhere, anytime there is an internet connection. Blackboard Learn is the latest release the institution implemented since the course management system was adopted in 2000. Blackboard is used by faculty and students to share information and course materials, to engage in critical thinking activities and collaborate online. Faculty and students may view Blackboard Help Videos from the [Blackboard Help website](#). It is also accessible from a [mobile device](#).

Blackboard Support: To report an issue or ask a question: call (508) 215-5906; visit it@framingham.edu to report a problem or search the knowledge base. Visit our walk-in locations at the Whittemore Library-Lower Mezzanine (LM) or on the ground floor of Hemenway Hall room 122 computer lab.

Information Technology Services

ITS provides centralized technology support to the FSU community via phone, email, walk-in locations, and our online portal. There are two locations on campus that offer in-person support with extended hours designed to meet the technology support needs of the campus community.

How to get IT help:

- Email it@framingham.edu or call (508) 215-5906 for help. The Technology Resource Center is located in the Henry Whittemore Library-Lower Mezzanine or on the ground floor of Hemenway Hall in room 122 computer lab.
- Submit an incident or request online using the ITS [self-service portal](#).
- Contact the Education Technology Office by emailing eto@framingham.edu or by calling (508) 626-4927. The Education Technology Office is located in Hemenway Hall rooms G05 and G09.

E-mail

All students receive an FSU email account. This email is your official connection to the University and is used as the primary means of communication from the administration and faculty. Students access their email through [Office 365](#).

Identification Cards

All students are required to obtain Framingham State University Identification Cards. ID cards are the property of Framingham State University, are non-transferable, and must be returned to the Office of the Registrar upon withdrawal from Framingham State.

Day and evening students will have the initial ID photo taken at orientation. ID cards are distributed at the end of the student's orientation or can be picked up at the ID Office up to 15 business days following orientation. There is no charge for the initial ID card. Resident, commuter, faculty, staff, contractors, and replacement identification cards are produced at the FSU Police Department's ID Office, located on the ground floor of the McCarthy Center, (CC100A), adjacent to the University Police Station.

To obtain an ID card, please fill out the [New Student ID Application Form](#). The form is also available at the ID Office on the ground floor of the McCarthy Center (CC100A), adjacent to the University Police Station. The form should be returned to the ID Office during business hours. Your ID is necessary to access many beneficial services at the University, including use of the gym at the Athletic and Recreation Center in Dwight Hall.

Parking

All students who park on campus must have a commuter parking decal. Fill out a parking decal application [here](#). For additional information on parking on campus please click [here](#).

Textbooks

Your instructor will publish course text information prior to the beginning of the semester on Blackboard. In addition, this information is also available in the course syllabus. For more information call (508) 626-4595, or visit: www.framingham.bkstr.com/framinghamstatestore/home/en

Graduate Policies and Procedures

Academic Honesty

Integrity is essential to academic life. Consequently, students who enroll at Framingham State University agree to maintain high standards of academic honesty and scholarly practice. They shall be responsible for familiarizing themselves with the published policies and procedures regarding academic honesty. Students are referred to the Graduate Catalog 2018-2019.

Academic Standing and Dismissal

Academic Average for Graduate Degrees and Certificates

Completion of a graduate degree program or graduate certificate at Framingham State University requires that all students achieve a minimum of **3.00** quality point average in graduate courses taken to satisfy program requirements. Only credits received from Framingham State University are included in this calculation. Students are expected to monitor their academic progress and will receive an academic warning if their grade point average falls below 3.00.

Academic Warning

The following circumstances result in an academic warning:

1. A student shall receive a warning the first time the cumulative quality point average falls below 3.00.
2. A student shall receive a warning when the student receives one grade below "B- (2.70)".

NOTE: A student shall be provided with no more than one (1) academic warning. A second occurrence of either circumstance noted above will result in Academic Dismissal.

Academic Dismissal

The following circumstances result in an academic dismissal:

1. A student may be dismissed upon completion of a semester in which the cumulative quality point average falls below 3.00, and when a warning previously has been given. Students will not receive more than one warning before being dismissed.
2. A student shall be dismissed if the cumulative quality point average remains below 2.70 for two consecutive semesters.
3. A student shall be dismissed when the student accumulates two grades below "B- (2.70)".

4. A student shall be dismissed upon receipt of an “F” grade. The “F” grade is permanently recorded on the transcript and remains in the cumulative quality point average unless the student is reinstated and the course is retaken.
5. Upon notification of dismissal, students will have up to one semester from the date of notification to make a formal written appeal for readmission. The appeal will not be considered unless it includes concrete reasons and explanations for the student’s poor academic performance, with specific reference to extenuating circumstances and documentation where possible. Students must also include a written plan of action for improving the level of academic performance. Appeals are addressed to the Graduate Education Council. Appeals for readmission will be reviewed based on new information or extremely extenuating circumstances only.
6. Should a student be re-admitted to the University (after submitting a written appeal to the Graduate Education Council) and receive an additional grade of “F” or meet the criteria for Dismissal as noted in items 1 through 3, that student will be permanently dismissed and ineligible for appeal.

Attendance

Graduate students are expected to attend all class sessions. In circumstances when a student cannot attend, the instructor should be notified at the previous class meeting. Veterans receiving VA benefits must attend regularly in order to ensure their benefits. Students receiving Financial Aid must attend regularly in order to ensure their Financial Aid.

Mandatory Health Insurance

The Commonwealth of Massachusetts requires all full-time students (any day/night combination of three or more courses per fall and spring semester) attending Framingham State University to have health insurance. Students must submit, on-line, the Health Insurance Request for Waiver form or enroll in the insurance plan (full year, \$2,511.00, 8/01/16 to 7/31/17) offered by the University. Submittal of the waiver or insurance enrollment is required in order to be registered at the University. Part-time students are not eligible to purchase the health insurance offered by the University. For additional information regarding the Student Health Insurance Plan please [click here](#). You may also link to this Website through *myFramingham* portal.

Snow Emergency

In the event of severe weather conditions or other emergency situations, notice of delayed openings or cancellation of classes will be broadcast on radio station WBZ 1030 AM and the television station WBZ – TV Channel 4. Announcements will be made beginning at 6:00 a.m.

You may call (508) 626-4898 for a recorded weather message.

Students, Faculty, and Staff are encouraged to register or update contact information, via *myFramingham* portal, for the University's emergency notification system. This system will be used for emergencies only, including school closings due to inclement weather, public safety warnings, etc. Please go to the Emergency Notification channel found on the main page within *myFramingham*.

PLEASE DO NOT CALL UNIVERSITY POLICE.

Day classes will not meet in the morning if day-school classes are cancelled. Late afternoon or evening classes will not meet if Continuing Education classes are cancelled. Please use your good judgment when deciding to come to class.

Student Conduct

Graduate Students must comply with Framingham State University Guidelines and policies, as outlined in the [Ram Student Handbook](#). University regulations include but are not limited to: Framingham State University General Student Conduct Code; the alcohol and drug policy; the care and use of university property; and the sexual harassment policy. Unfamiliarity with institutional regulations or rules is not grounds for excusing infractions. Students who are involved in violations of University conduct guidelines or commonly accepted standards of behavior while on campus will be subject to disciplinary proceedings by the University. The RAM Student Handbook is available in alternative formats for students with disabilities.

Course Registration

Adding or Dropping Courses

Graduate students may add, drop, or change sections of a course. This is done on the portal *myFramingham*. Students may add/drop without receiving a "W" before the **second class**. Students may still withdraw after the second class meeting, but it must be **before the ninth class meeting**; in this instance, a "W" is issued for the class. Students should refer to the Continuing Education Academic Calendar on the web for withdrawal and refund dates. *Note:* Non-attendance does not constitute being "dropped" from a course. Also, attending a course without having been officially "added" to the course does not constitute enrollment in the course.

Graduate students taking **Day Division courses**. A student may add or drop a semester course or change a section of the same without penalty if the course is dropped before the end of the sixth academic day. This is done in the portal, *myFramingham*. Refer to the Day Division Academic Calendar on the website for the exact date when add/drop is over. *Note:* Non-attendance does not constitute being "dropped" from a course. Also,

attending a course without having been officially “added” to the course does not constitute enrollment in the course.

Directed/Independent Study

A Directed or Independent Study allows students the opportunity to study in an area in greater depth than the content of existing course offerings.

A Directed or Independent Study may also be offered when a course existing in the University Catalog is not offered during the semester the student is enrolled at the University.

To enroll in a Directed or Independent Study, a graduate student:

1. Must be a matriculated graduate student.
2. May enroll in only one Directed or Independent Study in a given semester.
3. May enroll in no more than two Directed or Independent Studies within graduate degree requirements.
4. May be subject to stricter guidelines in the major department. Check appropriate course description for the major in question for additional criteria.
5. May be granted exceptions by the Graduate Program Coordinator in special circumstances if the student is ineligible based on the previous criteria.

To complete the Directed/Independent Study Form please [click here](#).

Matriculated graduate students are expected to complete all coursework at Framingham State University. Under extenuating circumstances, students may request permission to take a course for transfer credit after admission, and must obtain prior approval in writing from both the advisor and the Dean of Graduate Studies. You must complete the [Graduate Course Approval Form](#) and the course description to the Office of Graduate Studies, Dwight Hall room 202. If you have any questions, please call the Office of Graduate Studies at (508) 626-4014. Transfer credit is limited to two (2) graduate courses and must have been completed with a grade of B (3.00 on a 4.00 scale) or better provided they are earned no more than five (5) years prior to the date of admission to Framingham State University. Exceptions may only be made by the graduate admissions committee.

Enrollment/Student Status

Change of Division/Enrollment Status Request

Students wishing to take a course(s) through the Day Division must complete a Change of Division/Enrollment Status Request form in advance of the semester in which they wish to make this change. Requests must be submitted to the Office of the Registrar no later than 7 business days prior to the start of either the fall or spring semester. The Day Division and Continuing Education are separate fiscal entities and tuition paid to one will not cover tuition to the other. Complete the form [Change of Division/Enrollment Status Request Form](#) and email it to registrarsoffice@framingham.edu.

Change of Program Concentration

A student who has been admitted to a degree program and wishes to be admitted to another degree program will be treated as a new applicant. A letter of intent stating the reason for the request must be submitted to the Office of Graduate Admissions along with a new application. Another application fee is also required. No new transcripts need to be sent unless requested, but, depending upon the program applied to, new letters of recommendation and new scores from appropriate examinations may be required. Not all courses completed in one program may be transferable to another program. For more information please email <mailto:gradadmissions@framingham.edu> or call (508) 626-4501.

Leave of Absence

A Leave of Absence is applicable to either a matriculated graduate student or Post-Baccalaureate Teacher Licensure Candidate (PBTL).

A Leave of Absence request and approval is required for either the fall or spring semester of the Academic Year (*summer terms are excluded except for MBA, MCO, and MSN programs*) for which the student does not enroll in courses. Leaves will not be granted for more than one semester at a time. A Leave of Absence may not be longer than one semester (*excludes Summer terms except for MBA, MCO and MSN programs*). A student may not request any more than four (4) Leaves of Absences. The policy regarding Time Limits for program completion is not affected by an approved Leave of Absence. Leave of Absences are available for consideration *only* to continuing graduate students in good standing (minimum 3.00 GPA). Students should consult with their program coordinator to determine if the Leave of Absence is appropriate.

The Dean of Graduate Studies makes the final decision to approve or deny a request for a Leave of Absence. For students on an approved Leave of Absence, registration information will be sent to both the FSU email account and personal email account on file, prior to the start of the next registration period and approximately two weeks prior to the term the student is scheduled to return.

In order to remain active in the program before the Leave of Absence expires, the student must enroll in course(s) for the upcoming semester.

Should the student not register once the Leave of Absence expires, the student will become inactive at the University and will need to apply for re-admission in order to resume his/her program of study.

Timeline A Leave of Absence request must be submitted no later than two (2) weeks prior to the semester for which the Leave of Absence is requested. Complete the [Leave of Absence Request Form](#) and submit the completed form to the Office of Graduate Studies, Dwight Hall room 202.

Matriculation and Inactive Status

Non-Matriculated Students

Non-matriculated students may enroll in no more than two (2) graduate courses before formal admission to a master's program. Since curriculum changes occur, prospective students are advised that the two courses taken prior to matriculation may not always apply to the degree program in place once students are accepted.

NOTE: Only students admitted into the Master of Business Administration (M.B.A.) program or Master of Science in Nursing (M.S.N.) program may enroll in the courses required for each respective program. Non-matriculated students are not permitted to enroll in graduate level courses in either of these programs.

Matriculated Students

Students who have met all admission requirements of the graduate program, have received a letter of acceptance from the University, submitted the required Admissions Deposit, and enroll in course(s) for the semester for which they were admitted will be considered matriculated.

Graduate students admitted to a master's program must enroll in course(s) in the semester in which they were admitted. If a student chooses not to enroll, he/she may defer admission for up to two (2) semesters, not including summer. Please check with [Graduate Admissions](#) as some programs only allow fall semester admission.

Inactive Students

All continuing matriculated graduate students (not newly matriculated) must enroll in at least one course in both the fall and spring semesters in order to remain active in their program. Students matriculated in the Master of Arts concentration in Counseling Psychology or the Master of Business Administration must also enroll in at least one course during the summer term.

If a student elects to take a semester off, a formal Leave of Absence Application (see policy) must be submitted two (2) weeks prior to the semester and approved by the Office of Graduate Studies. A student who does not request a leave of absence and elects not to enroll in at least one course during the fall or the spring semesters (or summer term for students matriculated in Counseling Psychology or Master of Business Administration) will become inactive at the University. Inactive students must apply for readmission prior to the start of the semester when seeking to return to active status. Students returning to a program after being away for more than two consecutive semesters (excluding summer except for the two aforementioned programs) are subject to the new program requirements upon their return.

Readmission

A graduate student in good standing who withdraws from the University, or who becomes inactive, may apply for readmission within three years of the last semester attended. A student is defined to be in good standing if he or she was not subject to dismissal at the time of withdrawal. The application for readmission should be submitted at least one month prior to registration for graduate evening or online courses and a full semester ahead for graduate Day School courses. **There is no application fee required for readmission within three years.** Students who are readmitted must meet the degree requirements and policies in the Graduate Catalog in effect at the time of readmission. **Students must also complete their entire program in the time limit allowed for that program including the time of inactivity.** Students should refer to the Time Limit Policy for time limits on coursework applied toward the degree. Students must enroll for the semester in which their readmission is effective.

If a student has been inactive for three years or longer he or she is required to submit a new Application for Graduate Admission and application fee with updated documentation, including a new statement of purpose, transcripts for courses taken at other institutions since being enrolled at Framingham State University, letters of recommendation and cover sheets, and any other documents as required for admittance to their intended program of study. Because of the length of inactivity, it may not be possible to complete all courses in the program of study within the time limit. Students may be required to take additional coursework, or repeat some prior coursework at the discretion of the Program Coordinator and Dean of Graduate Studies. To readmit in a program apply [online](#). If you have questions regarding the graduate readmission process, please call (508) 626-4501 or email gradadmissions@framingham.edu. If a PBTL student is seeking readmission, the existing licensure folder for a PBTL student (maintained in the Education Department) will be reviewed, in conjunction with the PBTL program readmission application, by the appropriate admissions committee reserves the right to discuss the contents of the student's licensure filed with the PBTL applicant. Students must enroll for the semester in which their readmission is effective.

Graduation

Comprehensive Examinations and Commencement

There is a graduation fee of \$100.00 which is required to be paid at the start of the student's final semester of enrollment (which includes the semester the comprehensive exam, if applicable, is taken). The comprehensive exam fee is \$125.00.

Commencement exercises are held in May. **In order to participate in Commencement, graduate students must have completed all degree requirements.** Applications for comprehensive examinations (if required in the program) and for Commencement are due during the semester preceding the semester in which the student intends to graduate. The dates for application to graduate are as follows:

August 15th for the **December 31st** graduation date
October 15th for the **January 31st** graduation date
January 15th for the **May** graduation date
April 15th for the **August 31st** graduation date

Grading

Framingham State University uses the following marking system at the graduate level.

Grade	Quality Points
A	4.00
A-	3.70
B+	3.30
B	3.00
B-	2.70
C+	2.30
C	2.00
F	0.00

NOTE: Any grade below a C is recorded as an F and has 0.00 values. Pass-Fail or Satisfactory-Unsatisfactory grades are not accepted for graduate study. Only grades earned at Framingham State University are included in the student's quality grade point average. Grade reports are viewable online through the portal, *myFramingham*.

Grade Appeal Policies

The University recognizes that the instructor has the right to determine course evaluation policies that are consistent with departmental and University policies. The instructor's policy will be designated in the course syllabus distributed at the beginning of the semester. It is the instructor's responsibility to grade student work in a manner consistent with those procedures published in the syllabus.

The following procedure is employed in the event that students wish to appeal a final grade based on a mechanical error in calculation or if there is reason to believe that the grade was calculated in a manner inconsistent with the policies of the instructor, the department, and/or the University. Appeals based on discrimination criteria can be pursued through affirmative action procedures.

There are two levels at which a grade may be appealed:

Level I: Informal

Within the first month of the semester following the semester of the course in which the final grade is questioned, students will pursue their concerns on the informal level, as designated below. Every effort will be made to resolve the students' concerns informally at Level I.

The informal procedure is a two-step process in which the student first meets with the course instructor. After this meeting, if the matter is not resolved, the student would meet with the graduate program coordinator. If the appeal is not resolved at the graduate program level, the student has the right to pursue a formal appeal.

Level II: Formal

At the formal level, the student would write to the Dean of Graduate Studies. Grade appeals are to be made no later than the semester following receipt of the disputed grade.

Step One: Dean of Graduate Studies

Taking into account, in a fair and timely fashion, all matters and considerations related to the dispute, the Dean of Graduate Studies will determine whether or not the student has a basis for an appeal. If the Dean decides there is no basis for an appeal, the matter will be closed. *NOTE: The course instructor will provide the course syllabus and grading procedures as well as the method for calculating the final grade.*

Step Two: Faculty Governance/Graduate Education Council

If the Dean decides there is a basis for appeal, the matter will be forwarded with all forms and any other pertinent materials to the Graduate Education Council. The Council will appoint an Ad Hoc Grade Appeal Committee.

Step Three – The Ad Hoc Grade Appeal Committee and the Appeal Procedure

As part of the process, the Ad Hoc Grade Appeal Committee may consult with the student, the instructor, and the program coordinator. If the Ad Hoc Grade Appeal Committee determines that a change in grade may be warranted, the committee will inform the program coordinator and will consult with the instructor prior to making its recommendation to the Dean of Graduate Studies.

The Ad Hoc Grade Appeal Committee must submit a written recommendation (either that “the Committee supports the grade as originally recorded” or the “the instructor should review the grade in question”) in a sealed envelope along with the appeal documentation for the Dean of Graduate Studies within one month of receipt of the committee charge.

The Dean of Graduate Studies will convey the Ad Hoc Appeal Committee’s recommendation to the instructor and the student. If the committee recommends that “the instructor should review the grade in question,” the Dean of Graduate Studies will ask the instructor to review the grade and to inform the Dean of Graduate Studies of the outcome. If the review results in an unchanged grade, the Dean of Graduate Studies has the authority to change the grade in such cases where there has been a mechanical error in calculation or if there is a reason to believe that the grade has been calculated in a manner inconsistent with the stated grading criteria of the faculty, the program, and/or the University. The appeal ends at this point.

Graduate Assistantship Program

A limited number of graduate assistantships are available for interested and qualified students each academic year. The Graduate Assistantship requires 15 hour/week commitment during the fall and spring semesters when classes are in session. In return, students receive tuition and fee vouchers for up to two Continuing Education Graduate Classes (held during the evening, Saturdays, or online) per semester and a \$2,500 stipend per semester. For further information [click here](#) or email [Corissa Donaghy](#).
