

### TWO-YEAR PROGRAM COMPLETION PLAN

#### Department of Nursing

-- Domain General Education courses and open electives may be taken in any semester and in any order, except for Common Core Domain requirements, which must be taken during Year One if needed.

--Prerequisite: Completion of an Associate Degree or Diploma Program in Nursing and licensure as a Registered Nurse (RN). Course of study must include: Chemistry (4-credit course with lab), 2 Anatomy & Physiology courses, Microbiology, Sociology, and Psychology.

--Upon acceptance to Framingham State University, student (RN) may attend full-time or part-time. This plan is for full-time enrollment, but part-time enrollment, while working, is strongly recommended.

-- All students are required to have completed a minimum of 32 course-credits as part of the overall degree requirements at Framingham State University.
