World Languages

- 0** Student has not taken the Avant Placement test.
- 1** Earned a 1 in the Avant Placement test, must take Elementary I of the language in which the student tested.
- 2** Earned a 2 in the Avant Placement test, must take Elementary II of the language in which the student tested.
- 3** Earned a 3 in the Avant Placement test, must take Intermediate I of the language in which the student tested if choosing the language option.
- 4** Earned a 4 in the Avant Placement test, must take Intermediate II of the language in which the student tested if choosing the language option.
- 5** Earned a 5 or above in the Avant Placement test, must take any 300 level course if choosing the language option.
- 6** Waiver received from World Languages Department Chair. Students may petition for the waiver if their high school language is other than English (usually applies to international students).

NOTES:

For students under the Domain General Education model, having a Placement Code of 3 or higher means not having to specifically take a foreign language course. However, students will be required to complete third course from Domain either I-A, I-B, or I-C (cannot be in a language or level of a language for which the student is already proficient).

For students majoring in English, the foreign language requirement for the major is satisfied with a Placement Code of 3 or higher.
