

## AFTER HOURS AND SUMMER HEALTHCARE

The Health Center is open Monday–Friday, 8am–5pm during the Academic School Year. The Health Center does not offer Medical Appointments on State and National Holidays, during school weather closures, and during summer break.

### If care is needed outside of Health Center hours, students have several options:

#### **EMERGENCIES**

In the event of an emergency on campus, campus Police should be called at 508.626.4911. Campus Police will assess the situation and call to arrange transportation to the ER at:

**MetroWest Medical Center**  
115 Lincoln St., Framingham, MA 01702  
508.383.1000

#### **WALK-IN CLINICS:**

Urgent Care is appropriate for sore throats, ear pain, rashes—any nonemergency that a student wants evaluated before the Health Center opens again.
