Testing for COVID-19:

Students are required to have ongoing testing for COVID-19.

Testing appointments can be made through Medicat

- All students who have any in person classes on campus must be tested prior to the start of the semester. Onboarding testing takes place 1/24/21 and 1/25/21 9am – 4pm.
- All residential students must be tested weekly.
- All commuter students who are taking > one in person class/week on campus must be tested weekly.
- Commuter students who are only taking one in person class on campus must be tested biweekly.
- Students who have only remote classes and do not come to campus are not required to be tested.

Where does COVID-19 testing take place?

- Athletic Center gym

When does COVID-19 testing occur?

- Testing will take place every Monday 12pm – 4pm and every Tuesday 9am – 1pm (and occasionally on Wednesday when there is a Monday holiday)
- Spring 2021 Testing Schedule
- Commuters taking only one class on campus will be tested according to this schedule

Do not come to the testing site if you are experiencing any symptoms that could be COVID-19 (fever, new loss of sense of smell/taste, sore throat, cough, shortness of breath/difficulty breathing, chills, headache, congestion/runny nose, gastrointestinal symptoms such as nausea/vomiting, diarrhea or loss of appetite). Remember even mild symptoms can be caused by COVID-19. Do not come to the testing site if you have been exposed to anyone who tested positive to COVID-19 or if you have traveled out of state in the last 14 days. Contact the Health Center at 508-626-4900 and we will arrange for testing in the Health Center.

We are utilizing Broad Institute in Cambridge as our testing lab. They have results available within 24 hours. If your results are negative, you will receive an email from them. If your results are positive, Health Center staff will contact you.
