

Birth Control

The Health Center can prescribe birth control pills, the NuvaRing and “the shot” (Depo-Provera). This involves an appointment where we will review your health history, discuss your birth control options, and help you choose which birth control is right for you.

We do not provide IUD or implant placement, however here is a list of providers in the area that do:

Dr. Mary Bethany	35 Lincoln Street, Framingham	508-620-9800
Dr. David Goldberg	600 Worcester Rd 5 th Floor, Framingham	508-879-7710
Dr. Jennifer Thulin	67 Union St #505, Natick	508-651-3400
Planned Parenthood	670 Pleasant St Worcester	508-854-3300
Planned Parenthood	1055 Comm Ave Boston	617-616-1600
