Failure to check-out properly will result in a \$25 charge for resulting administrative costs. Residents must contact the Office of Residence Life and Housing directly to terminate this Agreement. Residents who withdraw from the Residence Hall License Agreement

Collect any fines imposed by this Agreement; b. Sue to collect past due charges, fees and any other damages we have incurred because of your violating the Agreement; c. Terminate your right to occupy the premises, but not terminate the License Agreement or end your monetary obligation for the premises by giving you written notice providing 24 hours for you to leave; d. Sue to collect all unpaid charges, fees and other sums which would become due until the ending date of the Agreement or until another person takes occupancy (and then, Framingham State can still recover from you the difference between the charges you were supposed to pay and the charges paid by the new resident together with the Housing Reservation Deposit of \$150.00); e. Report all violations to credit reporting agencies; f. Accelerate the remainder of sums due under this Agreement through the ending date; and g. Do any combination of a, b, c, d, e, or f; however, if the default solely relates to your failure to move in, Framingham State will credit back prepaid room charges if a replacement resident approved by us takes occupancy on the Starting Date and in accordance with paragraph 7 of this Agreement. Agreement violations, including failure to pay any sums due, may also subject you to sanctions by Framingham State, which may prevent you from enrolling at Framingham State, and for so long as any such sums remain overdue or unpaid, from obtaining diplomas. All unpaid amounts will bear interest at 18% per year from the date originally due through the date of payment.

34. CUMULATIVE REMEDIES. The exercise of any remedy by Framingham State shall not be taken to exclude or waive the right to exercise any other right or remedy which Framingham State might have.

35. ADDENDA. Housing rules, policies, and/or regulations appearing in the most recent *RAM Student Handbook* and/or *Guide to Residence Living*, or as revised and published from time to time by Framingham State, and attached Addendum 1, COVID-19 Residence Life Release and Acknowledgement, are made a part of this *Residence Hall License Agreement*.

ADDENDUM 1 – COVID-19 Residence Life Release and Acknowledgement

Massachusetts is fighting the novel coronavirus, COVID-19, a highly infectious, life-threatening disease declared to be a global pandemic. There currently is no known treatment, cure or vaccine for COVID-19. The disease may be contracted through contact with infected persons who may be asymptomatic, or from contact with the virus left on surfaces. In accordance with the recommendations and guidance of the Centers for Disease Control (“CDC”) and the Massachusetts Department of Health, as well as the guidance provided in Massachusetts’s Safe on Campus Guide^[1] and COVID-19 Higher Education Control Plan², the University has taken steps to limit the spread of COVID-19, but the health and safety of the community depend upon all its members accepting the shared risk associated with the disease.

Aware of the contagiousness of COVID-19 within society and the inherent risks of being exposed to a person who may be infected with the disease, I am voluntarily returning to the Framingham State University campus to live in the residence halls and assuming the risk that I may be exposed to COVID-19 upon my return, including the possibility that exposure or infection may result in illness, permanent disability and/or even death. I acknowledge that in choosing to return to campus to live in the residence halls, I have relied on my own judgment in assessing the safety of, or risks associated with returning to campus.

I acknowledge that it may not be possible for the University to limit all potential sources of COVID-19 infection, and that the risk of exposure to or infection with COVID-19 in the residence halls may result from the actions, omissions, or negligence of myself and others, including, but not limited to, University trustees, employees, agents, contractors, volunteers, and students. I understand that the University is an open campus, which necessarily limits the University’s ability to control students and visitors to the campus.

I acknowledge that, should a semester on campus be interrupted by COVID-19 so as to preclude continued residence on campus, students living in a residence hall, who move out completely, will receive a pro-rated adjustment of their room and board costs for the remainder of the semester in progress. Any resulting credit will be applied to any outstanding balance owed to the University first for this or other charges; if the adjustment results in an over-payment on the account, then a refund will be issued.

I understand that the safety of the campus community in respect to COVID-19 is a shared risk and that all community members must do their part to

contribute to the health and safety of the community. To that end, I understand that the University has implemented certain policies and regulations intended to mitigate the potential spread of COVID-19 in the residence halls, and the University may update or revise these policies and regulations at any time in response to new information, recommendations or guidance from the CDC or Massachusetts Department of Health. I agree that I will comply with all rules and precautions mandated by the University, including, but not limited to, wearing a face covering, washing/sanitizing my hands, social distancing, monitoring of symptoms and self-reporting of symptoms or a positive COVID diagnosis, compliance with FSU COVID-19 testing and contact tracing initiatives, isolation and self-quarantine guidelines, and compliance with policies and guidelines outlined in the RAM Student Handbook, The Guide to Residence Living, the FSU Student Community Health Commitment and in other official Framingham State University publications and postings. In addition, I agree to place myself in isolation and/or quarantine if recommended and to observe quarantine and medical isolation guidelines.

I understand that should I fail to comply with the University's policies and regulations regarding COVID-19, I will be in violation of the University's Student Code of Conduct and the Residence Hall License Agreement and related documents. As a result, I could be subject to sanctions up to and including immediate removal from the residence halls and expulsion from the University. I acknowledge that should I be required to vacate a residence hall as a result of my failure to comply with the University's policies and regulations regarding the COVID-19 pandemic, I shall not be entitled to any refund of my room and board payment.

I agree to comply with public health requirements, including travel, isolation and self-quarantine requirements on or off campus.

Finally, I release the University, its trustees, officers, employees, agents, and contractors from any and all legal responsibility associated with exposure to COVID-19, including, but not limited to, any personal injury, disability, illness, damage, or death, whether such exposure occurs before, during or after I move into a residence hall. I also agree, on behalf of myself, my personal representatives, and heirs not to make any kind of legal or equitable claim against the University, or any of its trustees, officers, employees, agents, or contractors with respect to any exposure to COVID-19, regardless of how such exposure occurs.

I have read and understand this agreement and I am aware that by signing this agreement I may be waiving certain legal rights, including the right to sue. This agreement shall be binding upon me

and my heirs, legal representatives and assigns, and shall inure to the benefit of the University and its successors and assigns.
