CAMPUS AND COMMUNITY RESOURCE GUIDE

Tough economic times may mean that some students find themselves hungry and/or homeless.

Help is available!

***an* INTRODUCTION**

This brochure was created to help students access the campus and community resources that are available to assist with food, housing, and related needs.

At Framingham State University, we recognize that student success and well-being are impacted by challenges and stressors that often occur outside of the classroom. To support students who are facing temporary or chronic homelessness and/or difficulty affording food, we have established a Single Point of Contact (SPOC) staff person to assist students with navigating campus and local resources.

If you or someone you know needs help, please contact Michelle Yestrepky at 508-626-4596, myestrepky@framingham.edu, or stop by the Dean of Students Office. The Dean of Students Office is located on the 5th floor of the McCarthy Center in suite 504.
