

TESTIMONIALS

"This program helped me realize that I am not the only one going through the same transition. Everyone is in the same boat!"

"RAM²S taught me about what FSC has to offer and it taught me more about how to leave a legacy and take advantage of resources that are available."

"My favorite part of the program was coming together as a group and talking to my fellow peers. It felt like a big family."

"My mentor gave me all kinds of great advice and support when I was struggling through my academic and social life. My mentor also taught me the importance of being involved on campus and managing my time."
