There is limited parking on campus; therefore, we must strictly enforce all the rules and regulations that are contained in this booklet. Please take the time to read, understand and abide by the parking rules and regulations for the safety and the convenience of all members of the community.

If you have any questions regarding the parking rules and regulations, please contact the Framingham State University Police Department at (508)-626-4911, or visit our website (https://www.framingham.edu/student-life/university-police/) or visit the station, which is located on the first floor of the McCarthy Center. We have a separate entrance off of Church Street.

NOTICE TO STUDENTS, FACULTY, STAFF AND VISITORS: The rules, regulations, policies, fees, and other charges that appear in this booklet were in effect at the time of its publication. Like everything else in this booklet, they are published for informational purposes only, and they do not constitute a contract between the University and any student or other person. Whether noted elsewhere in this booklet or not, the University reserves the right to change, eliminate, and add to any existing (and to introduce additional) rules, regulations, policies, fees and other charges. Whenever it does so, the University will give as much advance notice as it considers feasible or appropriate, but it reserves the right in all cases to do so without notice.

Parking rules and regulations are in effect 24 hours a day, 7 days a week, 365 days a year.

All vehicles must be registered and insured in accordance with Massachusetts General Laws. All vehicles on University property must be registered with the Framingham State University Police Department. All Students, Faculty and Staff must obtain an electronic copy of the FSU Parking Rules and Regulations from the university police’s website: https://www.framingham.edu/student-life/university-police/parking/index

ARTICLE 1

A. It shall be the duty of the Officers to enforce the provisions of these rules and regulations. The authority is granted to the Officers under Chapter 15A, S. 22,73,90 and Chapter 22, S. 63 of the Massachusetts General Laws as amended, as Special State Police Officers and as Deputy Sheriffs in Middlesex County.

B. The Officers shall have the authority to patrol the following streets and roads in close proximity to Framingham State University; Adams Road, Barber Road, Church Street, High Street, Main Street, Maple Street, Maple Lane, Maynard Road, Union Avenue, Wood Terrace, River Street, Franklin Street, Winter Street and Mt. Wayte Avenue. As well as any other streets and roads as deemed necessary.
ARTICLE 2
Registration and Permit Distribution - General

A. Motor Vehicle Registration and Eligibility
Each motor vehicle operated on university property shall be registered annually (faculty/staff will be bi-annually) with the Framingham State University Police Department. A parking permit will be issued to qualified applicants. Permits shall have numbers and letters identifying the motor vehicle and designations such as; Faculty/Staff, Resident Student, Commuter Student, Continuing Education and/or Contractor.

Permits shall be displayed from the rear-view mirror. Decals must be displayed at all times. ALL EXPIRED PERMITS MUST BE REMOVED FROM THE VEHICLE.

The following steps must be taken in the event that you bring a vehicle on campus that does not have your assigned permit on it (car is in the repair shop, etc.):

a. Come into the Framingham State University Police Department and obtain a temporary parking pass. You will need to know your permit number, as well as the license plate, make, model and year of the vehicle you are driving that day.

b. Please give yourself enough time to obtain the temporary parking pass prior to your class. The parking pass shall be obtained and placed in your vehicle prior to parking your vehicle on campus. Once the pass has been obtained, you may park your vehicle in the lot you are normally assigned to. Failure to obtain or properly display a temporary parking pass on the driver’s side dashboard of your vehicle may result in your vehicle being ticketed and/or towed.

c. You may utilize the ten-minute parking space outside the police station for your convenience to obtain a temporary pass.

d. A fee of $15.00 has been added for any permits that will need to be re-ordered with the exception of a stolen or totaled vehicle. A police report of a stolen or totaled vehicle is REQUIRED from the local police jurisdiction where the loss occurred to waive the $15.00 fee. There is a form on page 26 of this document that must be filled with University Police in order to initiate this process.

B. Resident Students
Resident students will receive information pertaining to parking through their FSU email and/or the Framingham State University Police Department website. Information will also be given out during orientation. The cost of parking will either be paid for at the time of order or it can be included in the student billing process. All applications and forms will be available through a third party on-line vendor who is approved through the university. The permit will be mailed to the home address that you supply.

Permit requests for all resident students, new or returning, will be filled on a first-come, first
serve process with returning resident students getting preference up until a cutoff date.

Applicants will need to provide the following information when applying on-line for their permit; first and last name, Banner ID number, home address, home and cell phone numbers, FSU email address, vehicle; make, model, color, year, registration expiration and license plate number. **Please note:** The Framingham State University Police Department cannot accept any money for parking permits. Failure to fill out the required information in full will result in a delay in the processing of your permit. **Students are strongly urged to affix the permit to the vehicles immediately upon receipt.**

**Area Directors, Resident Assistants Parking**

A. **Area Directors Parking**
   Resident Directors must obtain parking permits and park in their assigned areas. Vehicles not parked in compliance will be subject to being ticketed and towed at the owner’s expense.

B. **Resident Assistants Parking**
   Resident Assistants must obtain parking permits and park in their assigned areas. Vehicles not parked in compliance will be subject to being ticketed and towed at the owner’s expense.

**ARTICLE 7**

**Towing and Parking Fines**

Officers may issue tickets or tow a vehicle for some but not all of the following listed reasons:

- Parking in a restricted area
- Trespassing
- Excessive Tickets
- Snow Removal
- RMV Violations (expired plates, driver’s license, etc.)

Any violation of the Framingham State University Parking Rules & Regulations may result in ticketing and/or towing of a vehicle. All towing and storage of vehicles will be at the owner’s expense. All fees levied will be in accordance with Massachusetts General Laws, Chapter 159b, Section 6b and 6c. The fee structure is as follows:

If the tow truck is called and cancelled prior to the tow truck leaving the company’s tow yard, there will be no charge to the vehicle owner.
If a tow truck is in route or at that scene of the tow when the vehicle’s operator arrives, up to one half of the regular fee will be levied, regardless of whether any towing equipment is attached to the vehicle. The violator will be given ten minutes to make payment before full towing charges and the towing of the vehicle is initiated.

If the tow truck or any of its equipment comes in contact with the vehicle being towed, then the full amount of the tow is applicable including a drop fee.

Towed vehicles may be recovered from the towing vendor upon presentation of the operator’s identification, vehicle registration and full payment of the required fee. The Framingham State University Police Department cannot provide transportation to the tow company’s facility.

ARTICLE 9
Your Responsibility

It is the responsibility of each member of the university’s community to read, understand and abide by these regulations. **Ignorance of these rules and regulations is not a valid excuse when a violation is being appealed through the Office of the Parking Clerk.**

The function of the Framingham State University Police Department is to provide service and protection to each member of the Framingham State University community. The Framingham State University Police Department recognizes that available parking is limited. In the interest of safety for all, we must enforce established motor vehicle rules and regulations. All vehicles on Framingham State University property must be properly registered, insured and fully operational.

Any area not specified for parking has intentionally been left open to reduce traffic hazards and to permit passage of emergency vehicles. Park only in the designated areas in spaces outlined for parking. The absence of posted signs will not constitute a valid excuse for violating Framingham State University parking rules and regulations. These rules and regulations are subject to change and may be updated without prior notice. Vehicles not found in compliance with the rules and regulations will be ticketed and/or towed at the owner’s expense.

ARTICLE 10
Snow Emergency

A. **Snow Emergency**
   When the university declares a “snow emergency”, students, faculty and staff will be notified what lots they should relocate to so the snow can be cleared from the lots. An announcement
will be made via various mediums including FSU Alert, emails and social media.

When an announcement of a “snow emergency” is made to the university community, it is imperative that everyone move their vehicles within two hours of such notification, regardless of what the weather is at the time of the notification. Vehicles that are not moved are subject to being ticketed and towed. Vehicles must be removed from upper campus, which consists of the following parking lots: Normal Hill Lot, Athletic Lot (A-Zone), Bement Lot, and also all service Roads.

Please note that it is the vehicle operator’s responsibility to facilitate any work (shoveling, etc.) that needs to be done in order to remove a vehicle from an area. It is not the responsibility of the university or any of its representatives to handle snow removal from, on or around a vehicle.

Any owner of a vehicle that gets towed more than once during a “snow emergency” may be subject to losing their parking privileges on campus for the remainder of the year.

Please also be aware that the Framingham State University Shuttle Bus service may not run if conditions are hazardous. Please see Student Transportation for more information.

| There is no overnight parking permitted during a snow emergency for guests or non-resident students. |

B. Area Director’s Relocation During a Snow Emergency

Please note that Area Directors may be instructed to move their vehicle during a snow emergency or for snow removal. The Framingham State University Police Department will attempt to notify you in a timely fashion if it becomes necessary to move your vehicle to another area. Guests of Area Directors will have to sign in their vehicles and obtain a dashboard parking pass for a location to be determined at the time of the snow emergency.
