Graduate School Exploration and Personal Statement appointment: By telephone or video chat

- Appointments are approximately 45 - 60 minutes long.
- We can help you explore possible programs that will support your efforts to reach your career goals.
- For application and personal statement appointments, please email a copy of your personal statement and resume to the career counselor you have the appointment with, 24 hours prior.
- Be prepared to talk about the specific program you are applying to, and what the admission requirements are.
- If possible, also email a copy of the essay question(s) and guidelines, in advance.
- Be ready to talk about your experiences and achievements.
- The reviewer will email critiques of your essay and go over it with you.

Your career counselor may email you additional handouts and/or worksheets to supplement critiques.
