**Hidden Stories
Behind Social Problems**

Dr. Ira Silver
Sociology Department
Framingham State University

Mass shootings. Gender violence. Police brutality. Cyberbullying. Drug Abuse. These and other social problems are familiar and personally relevant to many in the FSU community. This talk highlights fascinating new ways to understand some of these significant and timely issues. It borrows from Ira's forthcoming book, which offers students in social problems courses, a fresh perspective on topics they already know and care about.
