

SOCIOLOGY MAJOR

General Sociology Concentration

This worksheet is a guide to supplement your degree audit in Degree Works. All students need 32 FSU course-credits to graduate. For students who change majors or enter FSU with transfer credits your degree audit may appear differently, as previous coursework could fulfill Domains and Free Electives. Please see your Advisor and/or The Advising Center with any questions.

DOMAIN GENERAL EDUCATION (11 Courses Required):

The FSU General Education program consists of 11 requirements. In the Sociology major Domain II-A is satisfied through completion of the major (X), leaving ***ten (10) courses to be completed*** to satisfy the remaining General Education subdomains through courses taken outside the major department. Only courses designated (Gen. Ed. Domain) after the course title will meet General Education requirements. Some elective courses in the major may also satisfy subdomains (see notation after course). Please refer to the catalog (p. 393) for full information.

Areas of Focus (see catalog pp 379-383 for more information)

Students majoring in Sociology with a Concentration in General Sociology may elect to follow an area of focus within the major. An area of focus is not the same as a concentration and will not be noted on a student's transcript or audit. A cohesive sequence of courses in a subfield of the discipline enables students to strengthen their knowledge for employment opportunities upon graduation and/or advanced post-graduate training. Students interested in pursuing an area of focus are encouraged to choose their major electives from the courses listed below:
