

CPD Estimate and Program Costs

Consult the [undergraduate catalog](#) or [graduate catalog](#) for information on tuition, fees, residence hall, and meal plan costs. In addition to these University fees, CPD students should expect to incur the following expenses. The amounts are estimates and subject to change without notice.

| Estimated CPD Costs | |
|--|---------|
| Personal (clothing, lab coat) | \$1200 |
| Books, Supplies, Copying | \$1200 |
| Wireless laptop computer | \$1508 |
| Health insurance (full-time student plan) | \$3306 |
| Physical exam including required lab tests | \$600 |
| Fingerprinting (required by all public schools, up to 2 schools/student) | \$35-70 |
| Travel to facilities | \$2000 |
| Pediatric Workshop (fee and parking) | \$85 |
| ServSafe Exam (www.sersafe.com) | \$85 |

| | |
|--|---------------------------|
| Required Summer Coursework NUTR 930 Nutrition in the School Environment (0.5 course-credit) | \$630/\$695† |
| Students who anticipate completing the program must take one course during the summer session following the junior year to meet graduation requirements. | \$1390 |
| Academy of Nutrition and Dietetics (https://www.eatright.org/) student membership (required) | \$58 |
| Total: | \$12,098/\$12,197† |

†Price differential reflects undergraduate/graduate costs for academic year 2023-2024.

Transportation is the responsibility of the student; access to a car is essential. The travel expenses above are estimated for the second year of the program assuming travel from the University.
