

CPD Student Performance Standards

After acceptance into the program, students are expected to maintain the following standards or be put on probation:

A FSU quality point average of 2.70 in all courses must be maintained for continuation in the program.

A minimum C- grade must be achieved in NUTR 374/874 Human Nutrition Science. A minimum C+ grade must be achieved in the following courses:

[NUTR 381 Medical Nutrition Therapy I](#)

[NUTR 384/884 Foodservice Systems](#)

[NUTR 930 Nutrition in the School Environment](#)

[NUTR 478 Community Nutrition](#)

[NUTR 481/881 Medical Nutrition Therapy II/NUTR 481L/881 Medical Nutrition Therapy Clinical Practice \(non-credit\)](#)

[NUTR 482/882 Management of Food and Nutrition Services](#)

[NUTR 965 Seminar in Clinical Nutrition](#)

A quality point average (QPA) of B- (2.70) in the above courses must be maintained.

Senior clinical courses, [NUTR 951 Practicum in Foodservice Systems](#) and [NUTR 981 Practicum in Clinical Dietetics](#), require a minimum course grade of B-, which includes all of the following: a minimum B- grade on the Student Performance Evaluation completed by the facility supervisor and an 8 out of 10 score in the category of staff relief responsibilities on the Student Performance Evaluation completed by the facility supervisor.

To successfully pass [NUTR 931 Practicum in Community Nutrition](#) and [NUTR 941 School Nutrition Practicum](#), the student must earn at a least a B- in the final individual curriculum plan and at least a B- in the Student Performance Evaluation completed by the facility supervisor.

More details are available in the [Handbook of the Coordinated Program in Dietetics](#).
