## Concentration in Teaching and Minor in Secondary Education

This worksheet is a guide to supplement your degree audit in Degree Works. All students need 32 FSU course-credits to graduate. For students who change majors or enter FSU with transfer credits your degree audit may appear differently, as previous coursework could fulfill Domains and Free Electives. Please see your Advisor and/or The Advising Center with any questions.

### DOMAIN GENERAL EDUCATION (11 Courses Required):

The FSU General Education program consists of 11 requirements. In the English Major with a Minor in Secondary Education Domain I-B is satisfied through completion of the major (X). An additional four (4) subdomains are met by specific courses related to the Massachusetts Curriculum Frameworks required for students in this major/concentration (see below). This leaves ***six (6) courses to be completed*** through courses taken outside the major department. Only courses designated (Gen. Ed. Domain) after the course title will meet General Education requirements. Please refer to the catalog (p. 303) for full information.
