# **Framingham State University's Chapter of Sigma Delta Pi Earns National Award**

Framingham State University's Nu Theta Chapter of Sigma Delta Pi, the National Collegiate Hispanic Honor Society, has been named an "[Honor Chapter](#)" for its outstanding activities in 2024-25, an award that was bestowed to only 13 chapters nationwide. This is the 3<sup>rd</sup> consecutive year that Framingham State has earned this distinction, and because this was done every year during Sigma Delta Pi's 2022-25 triennium, the chapter also received the prestigious Octavio Paz Award. Dr. Emilce Cordeiro, faculty adviser, was instrumental in earning this award for the student group.

Each summer, the 637 chapters of Sigma Delta Pi nationwide are asked to submit an annual report detailing their numerous activities and projects from the academic year. Based on these reports, the National Executive Committee chooses approximately 10-15 "Honor Chapters" annually. This recognition is based upon the caliber of chapter projects that reflect the Sigma Delta Pi mission of honoring excellence in the study of the Spanish language, contributing to cultural understanding and upholding the goals of the society.

Founded in 1919 and with its national office at the [College of Charleston](#) in South Carolina, Sigma Delta Pi is also a member since 1966 of the [Association of College Honor Societies](#), the nation's only certifying agency for college and university honor societies.
