

**FRAMINGHAM
STATE
UNIVERSITY**

Dear Prospective Students,

I am delighted to welcome you to the graduate and certificate nursing programs at Framingham State University. Whether you are looking to advance your career or specialize in a new area of nursing, our programs are designed to help you achieve your professional goals.

At Framingham State University, we are committed to preparing highly skilled, compassionate, and forward-thinking nursing professionals. As a small program, we prioritize strong relationships between students and faculty, ensuring that you receive individualized attention, mentorship, and guidance throughout your educational journey. We are deeply committed to fostering a collaborative atmosphere where you feel valued, supported, and empowered to grow both professionally and personally. This close-knit community allows for meaningful interactions, hands-on learning, and a truly student-centered experience that sets our program apart.

We offer flexible program options, including a Master of Science in nursing degree (MSN), with concentrations in education, leadership, and case management. Additional options include post-Master's certificates in education and leadership, and graduate certificates in case management. All programs are designed to accommodate the needs of working professionals. Through rigorous coursework and hands-on dynamic practicum experiences you will gain the knowledge and skills needed to take your career to the next level.

I invite you to explore our programs, connect with our faculty, and take the next step in your nursing career with us. We look forward to welcoming you to our community of dedicated healthcare professionals. Please do not hesitate to contact me at lthomas1@framingham.edu with any questions you may have.

Warm regards,

Lisa Thomas PhD, RN, CNE
Professor, MSN and Certificates Coordinator
