

# WORLD LANGUAGES & LINGUISTICS MAJOR

This worksheet is a guide to supplement your degree audit in Degree Works. All students need a minimum of 30 FSU course-credits to graduate. For students who change majors or enter FSU with transfer credits, your degree audit may appear differently, as previous coursework could fulfill Domains and Free Electives. Please see your Advisor and/or The Advising Center with any questions.

## **DOMAIN GENERAL EDUCATION (11 Courses Required):**

The FSU General Education program consists of 11 requirements. In the World Languages & Linguistics major Domain I-C is satisfied through completion of the major (X), leaving **ten (10) courses to be completed** to satisfy the remaining General Education subdomains through courses taken outside the major department. Only courses designated (Gen. Ed. Domain) after the course title will meet General Education requirements. Some elective courses in the major may also satisfy subdomains (see notation after course). Please refer to the Undergraduate Catalog for full information.
