FRAMINGHAM STATE UNIVERSITY

Dear Prospective Students,

I am delighted to welcome you to the RN-BSN program at Framingham State University. As a licensed Registered Nurse, if you want to advance your career or specialize in a new area of nursing, our RN-BSN program is designed to help you achieve your professional goals.

At Framingham State University, we are committed to working with highly skilled, compassionate, and forward-thinking nursing professionals to move to another level. As a small program, we prioritize strong relationships between students and faculty, ensuring you receive individualized attention, mentorship, and guidance throughout your educational journey. We are deeply committed to fostering a collaborative atmosphere where you feel valued, supported, and empowered to grow professionally and personally. Our close-knit community allows for meaningful interactions and a student-centered experience that sets our program apart.

Our RN-BSN program is designed to accommodate the needs of professional Registered Nurses. Our flexible hybrid course format allows you to work and learn. You will gain the knowledge and skills needed to take your nursing career to the next level.

I invite you to explore our program, connect with our faculty, and take the next step in your nursing career with us. We look forward to welcoming you to our community of dedicated healthcare professionals. Please do not hesitate to contact me at erearick@framingham.edu with any questions.

Take care,

Ellen Rearick, PhD, RN, CCM-R
